

Declaration of Conformity

Dimethylfumarate

(also known as "DMF"; CAS number 624-49-7)

On 17 March 2009, European Union Directive 2009/251/EC went into effect. This Directive is intended to ensure that products containing dimethylfumarate are not placed or made available on the market.

Intersil Corporation does not use any dimethylfumarate in its products, and therefore is compliant with the EU Directive.
